FRIDAY, OCTOBER 15th

6:30 p.m. Doors Open

7:00 The Secret of Thriving Over the Long Haul

Along the path of life with kids, the "dailies" can set in to bog us down and blur our vision. You know well the tedium of everyday life. It's all that stuff that has to be done: toddlers to chase, teens to embrace, meals to make, bills to juggle, friends to call, papers to correct... it never ends. Join Denise Mira as she unwraps the secret she's gleaned over the years to enable you to cross the finish line with hope in your heart and a smile on your face!

8:00 Break

8:20 Wake Up with Gloves On

As parents committed to home education, Denise Mira believes we must contend for the dream God's put in our hearts. This session will put 'steel' in your backbone as a homeschooling parent, while it energizes you for the daily battle you're engaged in.

SATURDAY, OCTOBER 16th

8:30 a.m. Doors Open

9:00 No Ordinary Child Lives in Your Home!

Sunrise, sunset, and little by little, we can forget the divine promise residing within our offspring. Why wallow in mediocrity while excellence is only a few steps away?! As a mom who's there in the trenches right beside you, Denise Mira will infuse you with encouragement as she reminds you of the huge, God-given promise in your child.

9:45 Break

10:05 Don't Drop the Baton

As home educators committed to God and His kingdom, our mission is more about transferring our beliefs to the next generation than simply executing our academic agenda. In this session, Denise will hand you some of her tried and true 'tools' for transferring the 'faith of our fathers' in such a way that it successfully becomes the 'faith of our sons and daughters'.

10:50 Break

11:00 Revolutionary Parenting

This session will light the homeschooling parent's fire. Join Denise Mira as she inspires and envisions Moms and Dads to become no ordinary parents, so they in turn, can raise the world changers our culture is begging for.
